- Unique personally enrolled Customers qualifier – refer footnotes on page 26 of the Rewards Program PDF for details.
- Each rank, from Rank-7 through Rank-10, will have it's own pool made up of 1% of company wide BV produced over a calendar quarter (Jan-Mar is Q1, Apr-Jun is Q2, etc.).
- The OP is calculated monthly, but paid at the end of each quarter.
  - Example #1: If Promoter-A was a Rank-7 in October, a Rank-8 in November, and a Rank-9 in December, he would receive 6 shares of the Rank-7 Pool, 4 shares of the Rank-8 Pool, and 2 shares of the Rank-9 Pool.
    - If Promoter-A had achieved the Go MVP Bonus in or before October, he would receive 8 shares of the Rank-7 Pool, 6 shares of the Rank-8 Pool, and 4 shares of the Rank-9 Pool.
- Ownership Pool Agreement must be signed in order to participate and receive payments for shares. Website link to agreement is emailed upon Rank 7 qualification. If have qualified and did not receive this link, please email support@pruvithq.com.**
